

COMPANY OVERVIEW

Blue Scorpion Reputation Management (BSRM) is a HUBZone Certified woman-owned small business in government contracting with in-depth experience helping federal, state, and municipal agencies.

We exist to support in-house teams with strategic communication and content creation services, market research, reputation management and crisis communication. BSRM has international reach with its headquarters in Atlanta while also operating in Washington, D.C.

We are focused intensely on quality, and listening is our first order of business. We deliver unique value in that we first understand our clients' interests and needs to build trust while achieving strategic goals.

With an ACDBE and DBE in the state of Georgia, BSRM is committed to excellence, holding accounts specific to the video gaming and agribusiness industries.

Primary Contact | Capture Management
Kimberly M. Starks, APR

WHAT SETS BSRM APART FROM THE COMPETITION?

- Our training and qualifications reflect prestige, including image and reputation management.
- Increased value through the various software platforms that we use for media outreach, social media marketing and digital marketing measurement.
- Proving value, showing ongoing improvement by demonstrating a quantifiable return on investment.
